PREMIUM SINGLE ROW AND DOUBLE ROW LED LIGHT BARS

Premium Series LED light bars include a combo beam pattern with side emitting LED reflector technology and gore breathers. The die cast aluminum construction with clear polycarbonate lens has an aerodynamic design to reduce wind noise while driving. Both side and bottom mounting hardware are included as well wiring harness, relay, 30A illuminated LED switch and black light cover.

COUNTER TOP DISPLAY

Increase LED light sales and show TrailFX LED lights with confidence using this new interactive counter top display. Designed to hold two 20" light bars and two 3" cube lights, this display comes with a power inverter, four on/off switches, and a pre-applied header graphic. Lights sold separately.

Display dimensions: 24" tall x 26.5" wide.
PART # LLD001

TAILGATE LIGHT BARS

- 5-function LED tailgate light bar includes drive light, reverse, brake light, left turn indicator, and right turn indicator
- 6-function LED tailgate light bar includes all the features of the 5-function light bar plus sequential turn signals
- Bulb color - red brake/red running/red hazard/amber sequential turn signals/white reverse
- Temperature, humidity, and rain-resistant
- SAE and D.O.T. compliant
- Aluminum mounting surface that won't sag
- Flat low-profile design
- Slight smoke tint to lens keeps the light bar stealthy when it is not lit
- Limited 90 day warranty

Part #	Description	Type

TRUCK BED

BED LINERS

Protect your investment with a TrailFX bed liner. Thick ribbed construction provides superior protection and allows airflow between the bed liner and truck bed for moisture evaporation. Each bed liner is manufactured from model-specific molds that allow for the perfect fit and more cargo space than any other bed liner.

- Tailgate liners come equipped with cup holders
- Patented no-drill installation available for most bed liner applications
- Contains board holder slots for two-tier and compartmental loading
- Over-rail models provide protection of the truck bed rails
- Under-rail models allow for truck caps, tonneau covers, or aftermarket rail protectors

Your vehicle will look sharp with a molded TrailFX logo on the headwall.

Custom WEARWALL

Tailgate liners come equipped with cup holders, perfect for tailgating!

Our exclusive slip-resistant surface will keep your cargo in place... no need to buy a separate mat.

TRUCK BED MATS

Protect your truck bed easily and quickly with TrailFX bed mats. Each application is custom molded to match the truck bed. Universal applications and tailgate protectors are also available for vehicles without a direct fit option. The textured pebble surface of the mat helps reduce shifting of items while driving and raised ribs ease the loading and unloading of cargo.

- Underside allows for drainage to keep truck bed dry to prevent mildew
- Made of high strength Nyracord®
- 3/8" thick
- Will not crack or break

TEXTURED PEBBLE SURFACE
Textured pebble surface helps reduce shifting, while raised ribs ease loading and unloading of cargo.

3" ROUND WHEEL-TO-WHEEL STEP BARS

Wheel-to-wheel step bars are designed to complement the look of longer wheel-base trucks and fit wheel opening to wheel opening. They feature additional step areas for easy bed access. These steps are available in a polished, marine-grade stainless steel or e-coated mild steel with tough black powder coated finish. All step bars feature UV resistant step pads that will not fade or crack. Each kit is engineered for an easy, bolt-on installation.

- Polished bars constructed from marine grade T304 stainless steel
- Black powder coated bars constructed from quality steel
- Mild steel mounting brackets and hardware
- Weight carrying capacity: 300 lbs.
- Limited lifetime warranty on stainless steel part numbers
- Limited 3-year warranty on black powder coated part numbers

LIMITED LIFETIME WARRANTY:
TrailFX stainless steel wheel-to-wheel step bars carry a Limited Lifetime Warranty to the original owner. Treat yourself to a life of looking good and dependability.

3 YEAR WARRANTY:
TrailFX black powder coated steel wheel-to-wheel step bars carry a 3-Year Limited Warranty to the original owner. Warranty covers finish defects from normal use.

5" OVAL WHEEL TO WHEEL STEP BARS

TrailFX 5" oval wheel to wheel step bars provide easier vehicle access and an extra-wide dual step area for better footing. Available in polished stainless steel, or durable, powder coated mild steel, both feature easy installation and great looks. The slip resistant molded step pads will not fade or crack.

- Polished bars constructed from quality stainless steel
- Black powder coated bars constructed from quality steel
- Mild steel mounting brackets and hardware
- Easier vehicle access and better footing
- Welded end caps
- Weight capacity of 300 lbs.
- Limited lifetime warranty on stainless steel part numbers
- Limited 3-year warranty on black powder coated part numbers

6" OVAL STRAIGHT STEP BARS

Make a bold statement with TrailFX 6" straight oval step bars. These high polished stainless steel step bars are designed to look good and give you the largest stepping surface possible. The step pads are almost 6" wide with deep cleaning lugs for sure footing in all conditions. In addition, these bars have welded end caps that are beautifully blended into the step bar for a clean, streamlined appearance.

- Polished bars constructed from quality stainless steel
- Black powder coated bars constructed from quality steel
- Mild steel mounting brackets and hardware
- UV-resistant step pads to resist fading and cracking
- Weight capacity of 300 lbs.
- Limited lifetime warranty on stainless steel part numbers
- Limited 3-year warranty on black powder coated part numbers

RUNNING BOARDS

VAN AND TRUCK RUNNING BOARDS

- Heavy duty 14 gauge, precision stamped carbon steel deck features aggressive traction lugs designed for maximum footing in all weather conditions
- Full 6-1/2" step surface for comfort and security
- Running board is fully e-coated to resist rust and corrosion before the application of an industrial grade powder coat finish that will last for years
- Deck surface features one-piece stamped end caps artfully welded directly to the deck to deflect road debris, mud and grime away from the vehicle
- Innovative track mounting system allows for multiple mounting positions to clear mud flaps
- Available in multiple lengths to fit most popular trucks and vans
- All kits include hardware, precision engineered fully e-coated brackets and detailed instructions

AGGRESSIVE TREAD HITCH STEPS

TrailFX Aggressive Tread Hitch Steps helps you gain easy access to your truck, van or SUV cargo area. This lightweight aluminum aggressive tread design features a UV-resistant non-slip surface.

- Fits into 2" receiver openings
- Includes anti-rattle brackets to reduce wind noise and vibration
- Step area is 22" long by 6.5" wide
- Black powder coated finish
- Limited 3 year warranty

Part #	Year	Model	Description
UNIVERSAL			
AHS001B	ALL	2" Receiver Hitch Tube	Straight Step: Standard ride height trucks, vans, and SUVs.
AHS002B	ALL	2" Receiver Hitch Tube	Drop Step: 6" drop for lifted or taller trucks, vans, and SUVs.

HOOP STEPS

Fits tightly along the bottom of the vehicle cab and bed and runs from wheel to wheel for a complete look. Hoop steps are positioned in the optimal location at each door point to allow for ease of access. Each step features unitized construction with all step components permanently welded in place. From unique styling to unquestioned quality and durability, TrailFX full length hoop steps give you a confident feeling every time you step into your vehicle.

- Quality steel construction
- Weight capacity of 250lbs
- Black powder coated
- Limited 3 year warranty

EXTREME GRILLE GUARDS

These HD grille guards are designed with heavy-duty use in mind and engineered to provide the maximum front end coverage for the headlight and grille areas of your truck. Every HD grille guard is designed specifically for each vehicle model, contouring to the lines of the vehicle while providing an easy, no-drill, bolt-on installation.

- Built from heavy-duty, thick-wall, mild steel tubing for extra protection
- E-coated before the black powder coating is applied for maximum protection against rust and corrosion for years of service
- Limited 3 year warranty

FRONT END PROTECTION

Laser-cut steel center section for added radiator and grille protection.

STANDARD GRILLE GUARDS

TrailFX grille guards are designed to protect your front end, and add a customized sporty look to your Truck or SUV. This grille guard has a one-piece design which allows for a quick and easy installation using existing mounting points on your vehicle. Two different finishes are available: stainless steel or gloss black powder coat. Standard grille guards are even designed with pre-drilled optional lighting mounts.

(B.)

2"X 2' AXLE STRAP

Part # A92031Y

Provides a convenient tie-down point for vehicle attachment

- Delta ring
- 5,000 lbs. break strength
- 1,666 lbs. load capacity
- Yellow

1-1/2" WIRE RING ANCHOR POINT

Part # E10013Z

- 900 lbs. break strength
- 300 lbs. load capacity

TOW HOOK KIT

Part # E20011B

- 10,000 lbs. break strength
- Black forged steel
- Includes hardware

STAKE POCKET ANCHOR POINT

Part # E10041C

- 2 chrome universal anchor points per pack
- Stake pocket design

SINGLE STUD FITTING WITH O-RING

Part # E30012Z

- 4,000 lbs. break strength
- 1,333 lbs. load capacity
- Pack of 12

CARGO NET

Part # G22019B - Short Bed, 73" x 79"

Part # G22029B - Long Bed, 73" x 99"

- Includes carry bag
- Cambuckle - zinc yellow
- S-hook - black vinyl coated

UNIVERSAL ANCHOR POINTS

Part # E10031C - Chrome

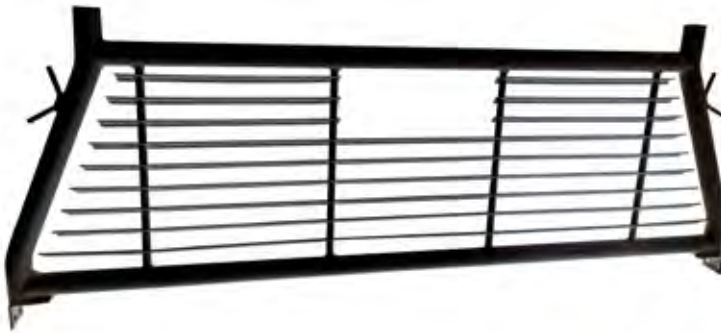

Part # E10031B - Black

- 2 universal anchor points per pack
- Toggle bolt design

HEADACHE RACKS

- Black or white powder coated steel
- Round tube louvered design
- With or without rear cab window cut out
- Limited lifetime warranty

RECEIVER HITCHES

TrailFX hitches are available to fit trucks, vans, and SUVs. Hitches for today's vehicles offer round-tube receivers to complement the vehicle's appearance. 1-1/4" or 2" receiver tube openings are available. TrailFX hitches are a great balance between performance and price, safe yet simple in form and function. Engineered to deliver the best value for your dollar, built to get the job done, tested to prove they surpass baseline quality, and priced to be competitive with other brands.

- Designed for trucks, vans, SUVs and CUVs
- Black, powder coated steel
- Solid all-welded construction for maximum strength and safety
- Mounting holes designed to provide a neat appearance when installed
- Weight carrying capacity: rated up to 5,000 lbs. GTW
- Weight distribution capacity: rated up to 10,000 lbs. GTW
- Limited 3 year warranty

TRUK-BOOT™

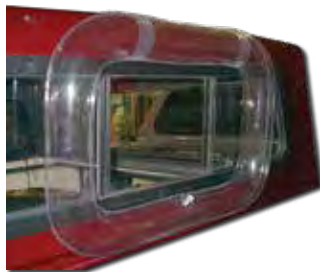

This inflatable, all-weather boot seals the gaps between the truck cab and camper shell.

Part # 20000

Mid Size: Inside dimensions 20" x 13"

Part # 30000

Full Size: Inside dimensions 20" x 14"

- Constructed of high quality PVC
- This boot installs between cap and cab
- Your sliding window can still be opened while your Truk-Boot™ is in place
- For mid-size and full-size trucks
- Installs easily, and includes fill tube and repair kit
- Fills gaps up to 3 inches
- Limited 2 year warranty

UNIVERSAL LADDER RACKS

Part # 2599123103 - Universal Ladder Rack

- Constructed of black powder coated steel
- Designed to be installed on steel or aluminum truck beds (not recommended for composite truck beds)
- Easy to install and can be mounted on driver or passenger side
- Quickly removed for a clean look when not in use
- Adjustable width and height for customized installation
- High-quality and durable powder coated finish
- 250lb. capacity (when evenly distributed and properly secured)
- Drilling is required
- Limited 3 year warranty

TURBO-RACK®

Part # 968 Universal-Fit Single Roof Rack

- Easy to use
- Quickly attaches to most vehicles
- High-density foam towers will not scratch roof
- Black steel support bars features quick-release width adjustment
- Strap-Thru design requires no tools to install
- Two Turbo-Racks® can be used on one vehicle
- Ideal for use with the Extend-A-Truck™ receiver hitch load support
- Limited 3 year warranty

EXTEND-A-TRUCK™

Part # 944 Universal Extend-A-Truck™ for 2" Hitches

- Black steel construction
- Installs in seconds
- Adjustable height for roof-top hauling
- Adjustable length for bed extension
- Stores flat behind the seat
- Red flag is included
- Removes in seconds
- 4' wide support
- 350 lb. weight limit
- Limited 2 year warranty

**NEW
PRODUCT**

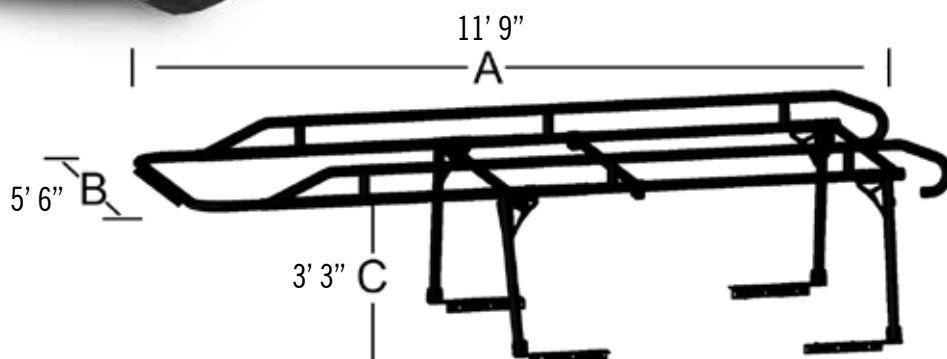

HEAVY DUTY CONTRACTOR RACK

TrailFX Contractor Racks are designed and manufactured with functionality, adjustability, along with a heavy duty carrying capacity as top priority. One part number fits all full-size pickups with short or long beds.

Part # FCLR001B

- Rated to support up to 1500 lbs.
- Black powder coat finish
- No drill installation
- Rope ties on each corner
- Equipped with rear grab handles
- Easy to remove rear crossbar for tall cargo
- Limited 3 year warranty

CARGO MANAGEMENT

ALUMINUM TOOL BOX FEATURES:

TrailFX aluminum tool boxes offer the widest selection of sizes and styles in the industry. These superior quality boxes are packed with features, yet affordably priced to fit your budget.

LID DESIGN

The TrailFX lid has two layers of aluminum and a high density foam. These features make the TrailFX lid one of the strongest and most flexible in the market, securing the contents of your box for the life of the unit.

BODY DESIGN

The body of the TrailFX box features fully TIG welded seams and a patented built-in small parts storage bin, which offers convenience and adds strength to the end of the box as well. Others in the industry tack weld in additional pieces of metal in an effort to achieve a similar strength with inferior results. TrailFX does not compromise!

LATCHING SYSTEM

The TrailFX latching system features a high-quality stainless steel latch for lasting durability and convenience. The patented up-and-over rod does not encumber the working space of the box and keeps the rod out of harm's way, prolonging the life of the latching system. The double-bitted steel keys make locking and unlocking the box easy in all conditions.

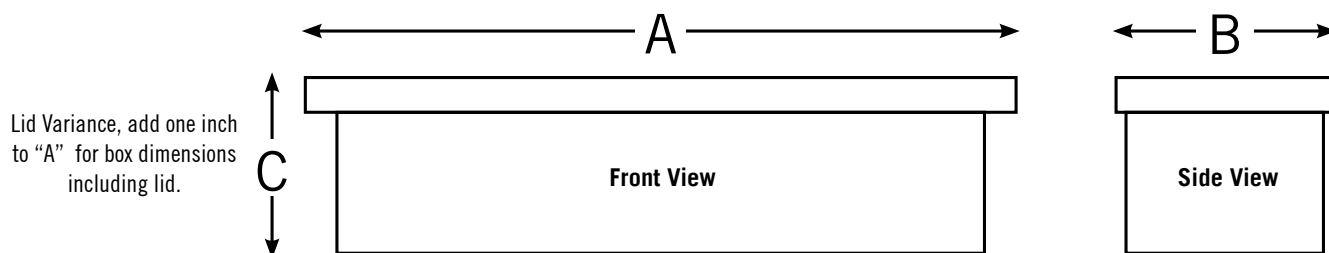

SHOCKS

One-handed opening of our aluminum boxes is a breeze, thanks to the use of a self-opening gas shock.

TRAY

The TrailFX tray is a great complement to the box, providing removable storage space for small items. This handy feature makes it easy to transport these small items to and from your jobsite or garage and reinforces the sides of the box.

HOW TO MEASURE YOUR TOOL BOX:

TRAIL LOCK® TOOL BOXES

Protect your tools and property with the new TrailFX Trail Lock® tool box. This new 16 gauge aluminum design is not only strong and durable but also offers the low-profile design and recessed twist handles which provide the styling consumers want. The body offers fully TIG welded seams and a patented built-in small parts storage bin. The TrailFX Trail Lock® Tool Box is available in a brite aluminum or a matte black powder coat finish and comes with a limited lifetime warranty!

- Constructed of 16 gauge aluminum
- Lid has two layers of aluminum and a high-density foam fill
- Patented Up-And-Over rod passes through multiple points for maximum security
- Limited lifetime warranty

STEEL TOOL BOXES

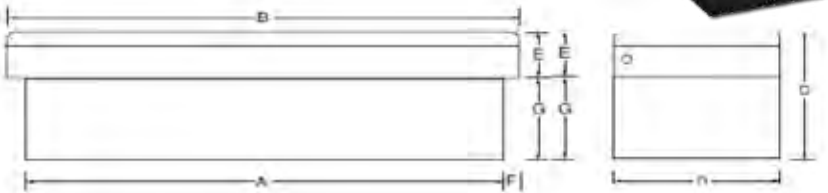

When rugged, reliable truck storage is a necessity, professionals can count on TrailFX steel storage boxes to offer a wide range of options. Constructed with heavy duty 22-gauge steel, these boxes feature an aerodynamic domed lid that adds to the box strength while reducing drag. The long single piano-hinged box lid operates smoothly and efficiently even in the harshest weather, and is assisted by sturdy gas struts providing a self-rising lid that stays open up to a 90° angle for convenient single hand entry. The easy grip, three-finger double latch, lockable paddle handles keep contents secure, while weatherproof, pliable gaskets seal tightly around box edges, locking dirt and moisture out.

- Electrostatically applied paint maximizes resistance to abrasion and corrosion
- Available in white, gloss black and matte black powder coat finishes
- Assembled in the USA

CROSSOVER AND GULL WING

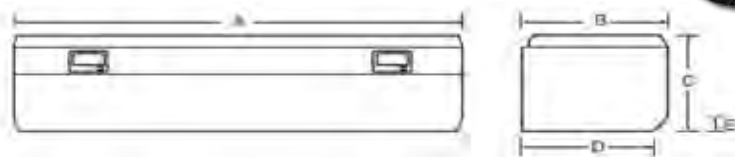

- Constructed with heavy-duty 22 gauge steel
- Aerodynamic domed lid adds strength and reduces drag
- Available in 70" crossover and gull wing styles, in three stylish finishes
- Limited lifetime warranty

Limited Lifetime Warranty

STEEL LIQUID TRANSFER TANKS

The TrailFX Steel liquid transfer tank is designed to be used with full-size trucks. This sturdy one-piece design allows you to get the greatest storage capacity. Lockable vent caps help to eliminate tampering, and heavy-duty lifting loops make installation easy.

- Constructed with 14 gauge steel with fully hand welded seams for strength and durability
- Available in white, gloss black and matte black powder coated finishes
- Secure steel plate bed flange mounting plates help to anchor tanks
- Assembled in the USA
- Not intended for transferring gasoline or other flammables
- Not intended for use as an auxiliary fuel tank
- Does not meet DOT specifications
- Limited lifetime warranty

HOOD PROTECTORS

- Wraparound design
- Available in popular smoked acrylic
- Stands away from hood for easy cleaning; no bumpers required for most applications
- Easy to install with low profile mounting hardware included
- Custom designed for a perfect fit
- Limited lifetime warranty

HOOD SCOOPS

- Unique stylized hood scoops for truck and cars
- Transforms stock hood into a simulated "Ram Air Hood"
- No-drill installation - mounts with concealed 3M™ tape
- Durable, heat resistant, high impact ABS material
- Three sizes will fit multiple vehicle applications
- Easily painted to match factory color
- Limited lifetime warranty

TRAILFX MID-LIFT SUSPENSION KITS

Looking to add larger tires or add that go anywhere capability and feel? Then look no further than a TrailFX mid-lift suspension kit. Increased ground clearance, visibility, and a smoother ride are all benefits of a mid-lift suspension kit. All required lift kit components come complete and ready to install in one box under one part number.

- Designed for additional clearance for larger wheel and tire combinations
- Quick and simple installation
- Maintains original ride
- Shock replacement not required with most kits
- Limited lifetime warranty

BLACK STEEL MUFFLERS

ENGINE PARTS & ACCESSORIES

- Universal fit
- Black steel finish
- Made in the USA
- Limited 90 day warranty

Part # 424410

Features:
Body height (inches): 4.00
Body length (inches): 13.00
Body width (inches): 9.75
Finish: Black
Inlet diameter (inches): 2.25
Inlet position: Offset
Material: Aluminized Steel
Muffler series: 40 Series
Outlet diameter (inches): 2.25
Outlet position: Center
Shape: Case
Sound level: Aggressive Sound

Part # 425410

Features:
Body height (inches): 4.00
Body length (inches): 13.00
Body width (inches): 9.75
Finish: Black
Inlet diameter (inches): 2.50
Inlet position: Offset
Material: Aluminized Steel
Muffler series: 40 Series
Outlet diameter (inches): 2.50
Outlet position: Center
Shape: Case
Sound level: Aggressive Sound

Part # 425430

Features:
Body height (inches): 4.00
Body length (inches): 13.00
Body width (inches): 9.75
Finish: Black
Inlet diameter (inches): 2.50
Inlet position: Offset
Material: Aluminized Steel
Muffler series: 40 Series
Outlet diameter (inches): 2.50
Outlet position: Offset
Shape: Case
Sound level: Aggressive Sound

Part # 424430

Features:
Body height (inches): 4.00
Body length (inches): 13.00
Body width (inches): 9.75
Finish: Black
Inlet diameter (inches): 2.25
Inlet position: Offset
Material: Aluminized Steel
Muffler series: 40 Series
Outlet diameter (inches): 2.25
Outlet position: Offset
Shape: Case
Sound level: Aggressive Sound

Part # 4304020

Features:
Body height (inches): 4.00
Body length (inches): 13.00
Body width (inches): 9.75
Finish: Black
Inlet diameter (inches): 3.00
Inlet position: Center

Material: Aluminized Steel
Muffler series: 40 Series
Outlet diameter (inches): 2.50
Outlet position: Dual
Shape: Case
Sound level: Aggressive Sound

EXHAUST CLAMPS

72850	Water Neck, Pontiac V8 O'Ring Style (Chrome Zinc Alloy)
7286	Water Neck, Mopar 273-440 Gasket Style (Chrome Zinc Alloy)
72870	Water Neck, Chevy Straight O'Ring Style (Chrome Zinc Alloy)

Part #	DESCRIPTION
72880	Water Neck, Chevy Angle O'Ring Style (Chrome Zinc Alloy)
72890	Water Neck, Ford 289-302, 351W O'Ring Style (Chrome Zinc Alloy)
8455	Water Neck, Polished Aluminum 45 Degree Swivel with Gasket fits all Small and Big Block Chevy V8
8456	Water Neck Polished Aluminum 90 Degree Swivel with Gasket fits all Small and Big Block Chevy V8
8459	Water Neck Polished Aluminum 15 Degree Swivel with Gasket fits all Small and Big Block Chevy V8

Limited 90 day warranty

ALTERNATORS, STARTERS, AND ACCESSORIES

ALTERNATORS

Excellent output at idle with proof of performance tag. Alternators have heavy-duty diodes and oversized bearings.

HIGH TORQUE STARTERS

High torque performance starters are ideal for high compression engines that need lots of torque to turn over. They are also great at standing up to the heat of a performance engine compartment.

BATTERY DISCONNECT SWITCH

Disconnect your battery the quick and easy way. This disconnect switch allows you to power off your battery and prevent drained and dead batteries without the hassle of undoing the terminals every time.

VALVE COVERS AND ACCESSORIES

ENGINE PARTS & ACCESSORIES

SpeedFX valve covers and breather caps bring back the look of yesterday, while offering the precision fitment of today's modern leak-proof technology. Each cover is cast from high quality aluminum and buffed to a mirror shine! To ensure maximum performance, all valve covers include baffles and hardware. Available in several styles, does not include oil cap or gaskets.
